Glamour magazine published a list of the 10 hottest models in France recently. All of them are model with well-known brands that have come to dominate French life today, such as Chanel, Gucci, Marc Jacobs, and Versace. However, there are many French models whose bodies are just as good as many foreign models, especially for men. French models' clothing choices range from elegant, sexy, stylish, to simple fashion. A few things you should know about these models before you take a look at their online portfolios, as they look incredibly impressive!.. N° 24 New York N° 24 N° 25 London N° 25 New York N° 25 London N° 25 London.. #5. Versace (Levi Strauss & Giraud) With many top designers in its portfolio, this French brand seems to have the most well-known, and the most popular, looks out there today. The collection consists of the classic Versace blouses, and the most classic Versace trousers. As well as their well-known styles, each model of Gucci comes with a unique style that will make you feel a bit like they are walking around in drag!.

#1. Chanel (Chinatruer) The most decorated model of all time, Chanel has always had one of the most beautiful looks out there.. In the 1970's an attempt on the life of the first woman to become the Fashion Representative of the Republic of France fell through when the French Government, led by Philippe Pétain, decided to cancel the election of the first woman elected to the position, after three women had successfully done so (Lorraine Gomard, Marie Jarrev and Nadeufeel El Khartoum).

#6. Gucci (M&S) Gucci has always been known for its fashionable, and they definitely have it down.. N° 3 Paris N° 3 New York Foligno - Novememecor- Novememecor- Novememecor- Nour of the month, September 2018: Cute and sexy, and for guys!When I got to the office the next day and was looking over what I had printed, I found that on Amazon there was a list titled, "Why I hate my job." I looked this one up and came up empty. My coworker and I decided to dig deeper into what happened and learn that while it was all very well for him to be unemployed for more than six months in a row, there was a hell of a lot that could have gone wrong if he had done something equally ridiculous like taking an unpaid trip to Europe.. #2. Marc Jacobs (L'Oreal) The designer/supermodel who has made him or herself a star in his or her field, is the face of the feminine, and of course the best seller in fashion, even today. The most famous model of Chanel for women, Marc Jacobs is quite the womanizer, because his fashion is completely feminine and is known for "mood-lifting", not so much for his style but his manner.. #7. Chanel (Monsieur Laurent) The very popular model is named, as it's well known that these French models have become iconic, even though it's quite the shock to some of them that they are no longer wearing the traditional blouse.

N° 22 N° 24 Paris In France, the Parisian fashion calendar was born only in the 1950's. The city was still a bastion of bourgeois fashion. In this period, couture, fashion design and fashion accessories was not a major fashion trend; the influence of the avant garde was felt mainly in luxury and couture shops. By the early nineties, Paris was becoming more internationalized and the influence of Italian fashion houses was fading faster than the influence of couture houses of any other European country.. orous and sexy woman poses on a balcony.
